# Objectives and Benefits of the Programs in Triple Certification

**MBA (Under Savitribai Phule Pune University and affiliated to AICTE):** The main objective of the program is to provide students with the necessary practical exposure they need to get placed in the corporate. This program consists of a unique learning methodology centered on case studies, projects and assignments that encourage students to think creatively and outside-the-box.

**International Program (Under Pearson BTEC):** This program comes with BTEC (UK) Extended Level 7 Diploma certificate which helps in higher-end placement. Not only that, but this program also opens a gate of global opportunity to the students who aspire to pursue a second MBA degree from the UK as we do have direct partnerships with many universities in the UK.

**PGP (Post Graduate Program):** Our aim is to create global leaders. So, this program not only assists students in placements, but also helps them in becoming leaders. From Extra Certifications to Training & Workshops to Academic, Cultural, Outbound, and Sports Activities, this program includes everything an individual needs to become successful and a global leader.
