Global Collaborations, Student Exchange and International University Tie-Ups

Businesses worldwide need professionals having leadership skills cultural awareness, foreign language proficiency, and an understanding of global marketplace. Therefore MERI has established International Study Tour / student exchange, faculty exchange, research & related academic activities with different foreign universities. MERI has international collaborations with 26 reputed universities/institutes spanning from china in the east to Europe and Canada in the west. The international Student Exchange Programme allows students to gain cultural competence through integration into host institution & culture while exploring the international dimension of their academics. Exchange programmes also give MERI students a competitive advantage in the employment market. The International Student Exchange Programme gives MERI students excellent opportunity to study for one semester at the global partners across the world under exchange program. Students get an opportunity to learn global best practices, network with people around the world and explore career prospects outside of India. Employers value international study as it demonstrates their ability to take initiative and function in a cross-cultural environment. No additional tuition fees are charged, however students are expected to meet their own traveling and living expenses. MERI also provide 100% institute sponsored scholarship to meritorious students.

Alumni Speak

"MERI has well thought blend of professional as well as academic curriculum. The overall experience of the PGDM course was extremely relevant and has complete practical approach. The faculties (both full time and visiting) are really inspiring with immense subject expertise. Last decade has been an amazing journey professionally, numerous moments where I actually got an opportunity to imply on ground what I learnt in my PGDM days. I really thank all my faculties who guided me during the course. Wishing all the very best."

PRAGATI CHADHA (Batch 2004 - 2006)

Currently Working in FICCI, Senior Asst. Director Human Resources

"Great faculties and good environment of MERI has helped me to become a better human being and a better professional. The counselling and grooming sessions at MERI which is an important aspect of today's corporate world ensures that we face the challenges and adhere to the structures."

HARJAS SINGH POPLI (Batch 1999 - 2001)

Currently Working in Fateh Care Inc., President

"In this college I enhanced my practical knowledge and professional skills in management field. As a student I learnt many facts and add knowledge from the experienced teachers. Side by side I improved my interpersonal skills and management qualities in professional environment of MERI."

AVNISH SAXENA (Batch 1997 - 1999)

Currently Working in 24 Seven Cart, Vice President

"My Journey with MERI has been a life turning chapter as since then, I was exposed to real life experiences wherein we were prepared to decide and choose what is best for us. I am sure a mix of academics with such exposures gives confidence and helps you to achieve goals."

VIKRAM MEHRA (Batch 1998 - 2000)

Currently Working in Parikh Shipping, Regional Manager

"An Investment in Knowledge pays the best interest.", this is what MERI taught me during my college days. Faculty @ MERI were just amazing, they don't just teach the stuff from books but also how practically we need to treat Corporate World. I am glad to study in such a beautiful and amazing campus with highly qualified and market experienced faculty members.

GIRISH GULABANI (Batch 2008-2010)

Currently working in IIFL Finance, Assistant Vice President

Regular Industrial Visits

The faculty members and staff of MERI are known for their out-of-the-box teaching and pedagogy methods. One such programme is Regular Industrial Visit. These visits focus on preparing the participants to learn about the day-to-day working of a particular industry and understand its operational issues. The program also helps

to keep the students abreast with the current management practices followed by such organizations and acquire traits that the industry demands of them. The benefits of this program is multifold. Not only are the students initiated into the industrial world as managers but are also made aware of the practical limitations posed by real-life situations.

Eligibility Criteria

Candidate has to appear in CAT/CMAT or CET of GGSIPU. + Bachelor's Degree from Recognized University in any discipline with a minimum of 50% marks in aggregate.

Admission Process

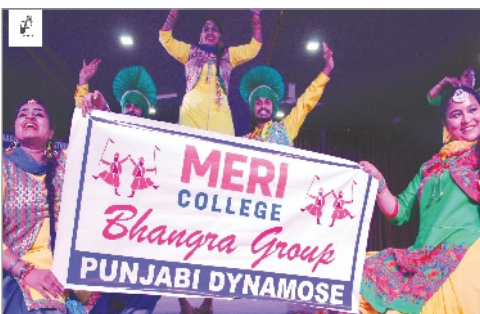

Shortlisted candidate would have to appear for Group Discussion (GD) & Personal Interview (PI), after which the final selection letter would be provided to student to secure their seat in MERI.

Cultural Activities & Annual Fest in College

An annual fest is a time when the entire team at MERI group of Institutions comprising of faculty members, students from various disciplines staff members come together and contribute to their best to this great endeavor to bring out the extra ordinary talent in participants from all over the city. We at MERI have been observing the Annual Fest 'La Kermesse' since 2008 MERI gladly invites number of colleges affiliated to various state university of Delhi like GGSIPU and Delhi university etc.to compete and win cash prizes, certificates, trophies and awards for numerous events

CLUB Activities

CSR Club, E-Cell Club, Literary Club (Sukriti) & MUN Club, Zumba / Music / Band / Dance Club, Cultural Club, Sports/Fitness Club,Precious Pixels, Fashion Vista, Media Cell, Theatre Club(Rangbhoomi). These clubs aim to encourage players of all standards to realize their best potential and to promote different skills in the wider community. Students avail these lessons on every Saturday after class. We motivate students to join these clubs to facilitate good interaction, bonding, and performances. It helps students to revitalize and rejuvenate their energy and invigorate themselves to accept study & worldly challenges.
